nifty SP34

With its compact dimensions and class-leading working envelope, the **SP34** has always been versatile and reliable, but add to this a low weight chassis and a powerful 4-Wheel-Drive system and you've got the **SP34 4x4** - one of the most complete 40ft work platforms available. Its telescopic upper boom provides increased accuracy when positioning the platform and Nifty's trade-mark 'Bi-Energy' option allows the **SP34 4x4** to work in a wide range of environments.

SAFETY FEATURES

- Automatic Failsafe Brakes
- Tilt Alarm
- Foam Filled or Solid Tires
- Manual Descent with Hand Pump
- Dual Controls (Platform & Base)
- Lock Valves on all Hydraulic Cylinders
- Dual Harness Points
- Meets OSHA and ANSI Regulations

Articulating booms and a 20ft outreach make the **SP34 4x4** perfect for reaching up and over all kinds of obstacles.

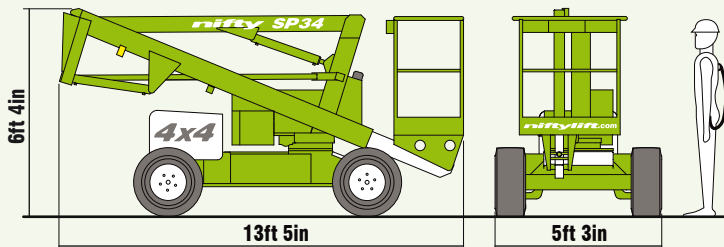

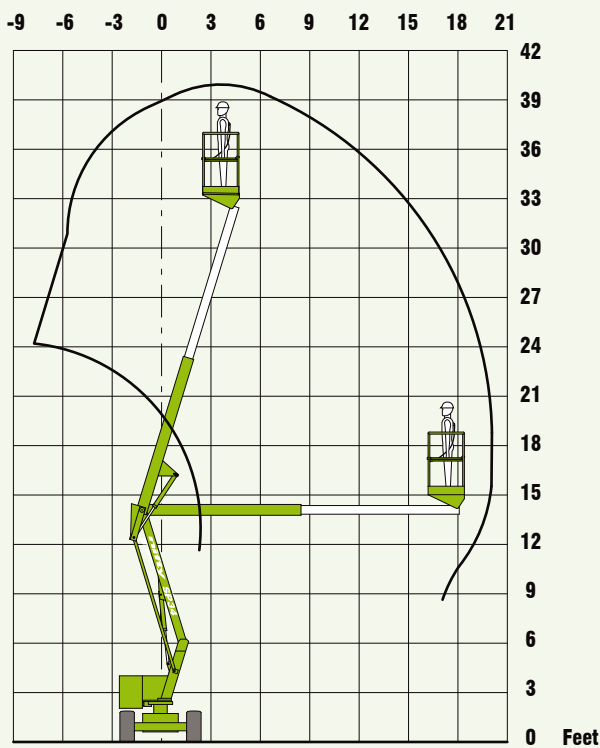

The **SP34 4x4's** deep tread rough terrain tires provide extra grip even on soft ground.
