

Health & Safety General Policy Statement

At Niftylift Ltd we recognise our duties under current health and safety legislation and will endeavour to meet the requirements of this legislation and maintain a safe and healthy working environment.

Our Managers and Supervisors are informed of their responsibilities to ensure they take all reasonable precautions, to ensure the safety, health and welfare of those that are likely to be affected by the operation of our business.

We also recognise our duty, so far as is reasonably practicable:

- to make regular assessment of the hazards and risks within our operation
- to meet our legal obligations to maintain safe and healthy working conditions;
- to provide adequate control of the health and safety risks so identified;
- to consult with our employees on matters affecting their health and safety;
- to provide and maintain safe plant and equipment;
- to ensure the safe handling and use of substances;
- to provide information, instruction, training where necessary for our workforce, taking account of any who do not have English as a first language;
- to ensure all workers are competent to do their work, and to give them appropriate training;
- to prevent injury, accidents and cases of work-related ill health and provide adequate control of health and safety risks arising from work activities
- to actively manage and supervise health and safety at work;
- to have access to competent advice;
- to seek continuous improvement in our health and safety performance and management through regular (at least annual) review and revision of this policy; and
- to provide the resource required to make this policy and our Health and Safety arrangements effective.

We also accept our responsibility:

- to co-operate and work with other employers when we work at premises or sites under their control to ensure the health and safety of everyone at work
- to co-operate and work with other employers and their workers, when they come onto our premises or sites to do work for us, to ensure the health and safety of everyone at work.
- to implement, maintain, and adhere to OHSAS 18001 health and safety management standard.

To help achieve our objectives and ensure our employees recognise their duties under health and safety legislation whilst at work, we will also inform them of their duty to take reasonable care for themselves and for others who might be affected by their activities. We achieve this by explaining their duty and setting out our company health and safety rules in an Employee Safety Handbook which is made available to every worker employed by us.

Steve Beckwith
Operations Director
